AAA ACROSS-HERD GENETIC EVALUATION (AGE) PROJECT

ALPACA OWNER NOMINEE TRANSFER FORM

Background

All AGE analysed data is confidential to the alpaca owner or other person nominated. Therefore only persons nominated in the data input form may receive copies of AGE Private Reports. It is the responsibility of the nominated person to obtain prior permission from all owners whose alpacas are recorded on the form to submit their alpaca's performance to AGE.

AGE staff will only communicate with the nominee regarding all AGE matters relating to the alpacas submitted. Nominees may transfer these rights to another nominee (e.g. if an alpaca is sold) by submitting the following Nominee Transfer Form to alpaca@alpaca.asn.au

Nominee Transfer Form

AGE data sent for analysis and certified by the following nominee is to be held under the new recorded nominee at the bottom of this form. Analysed AGE data is to be made available to the new nominee for the listed alpacas:

Current AGE Nominee:

Name: …….....

Stud: ……..

Alpaca IAR Numbers Applicable to new Nominee (Figure groups only, without prefix please.)

IAR Number	Alpaca Name
